

COMMUNITY TRUSTS REQUESTS INDEPENDENT TRUSTEE NOMINATIONS

Loeriesfontein Renewable Energy Community Trust and Khobab Renewable Energy Community Trust request independent trustee nominations.

Loeriesfontein Trust is a 5% shareholder in Loeriesfontein Wind Farm, and Khobab Renewable Energy Community Trust is a 5% shareholder in Khobab Wind Farm. These Trusts have been set up to carry out public benefit activities that positively impact local communities that reside within a 50km radius of Loeriesfontein Wind Farm and Khobab Wind Farm.

REQUIREMENTS

The candidates should not have any immediate association with an individual or community organisation that could directly benefit from the Loeriesfontein Renewable Energy Community Trust and/or Khobab Renewable Energy Community Trusts, or reside in the Hantam Municipal Area.

- Black women candidates are especially encouraged.
- A candidate should ideally be a registered Chartered Accountant to apply.
- No remuneration is payable to the successful candidate.
- Pre-approved expenses incurred while carrying out Trust duties will be covered.

Independent Trustee Candidates Should:

- be a person in good standing including in their professional field, credit record and have no criminal record;
- have a broad view of the developmental needs of rural communities in general. Knowledge of the development needs of the Loeriesfontein community in particular would be an advantage.
- demonstrate strong and diverse community networks;
- demonstrate leadership;
- voluntarily dedicate a significant amount of time to the governance of the Trust;
- help to ensure the efficient, effective, transparent, and credible operation of the Trust.

The Trust endeavours that the Board of Trustees represents a sound and good combination of financial, legal, strategic, and community development competencies.

WHO can NOT be NOMINATED? Candidates may not:

- be affiliated /an official of a political party, or an employee of a local municipality;
- have a criminal record, have been liquidated or sequestered in the last 10 years;
- be resident in Hantam Municipal area;
- have any immediate association with an individual, community or organisation that could directly benefit from the Loeriesfontein Renewable Energy Community Trust and/or Khobab Renewable Energy.

HOW TO APPLY

Applications should be emailed to Vanessa Fredericks: vanessa.fredericks@mainstreamrp.com
Closing Date: **22 November 2019**

The application should include a letter of motivation, a curriculum vitae with an identity number.

Loeriesfontein Renewable Energy Community Trust and Khobab Renewable Energy Community Trust may require and/or obtain credit information, tertiary qualifications, employment references, criminal record, drivers' licence verification ("Information"), as well as request credit bureau information on the applicant / nominee to be appointed as trustee, loan application and/or at any time during the existence of the Client's loan with the Development Bank of Southern Africa.

INTERVIEWS

Shortlisted candidates will be contacted and need to be available for interviews.
